

TECHNICAL DATA SHEET

G-CUT 505

Multifunctional high performance neat oil

Product Description:

A chlorine free extreme pressure neat oil for use in any chip forming operation where surface finish and tool life are critical.

Benefits:

- Thermally and hydrolytically stable additive system
- Excellent hydraulic operation
- Superior cutting performance
- Low odour and pale colour
- Anti mist formulation

Applications:

- Machining operations, multimetal compatible
- Hydraulic systems
- Machine tool lubrication

Storage:

- Store inside, out of direct sunlight
- Shelf life of 12 months from date of supply

Typical Test Data:

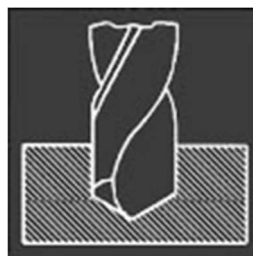

SG @ 20°C	0.86
KV @ 40°C (mm ² /s)	22
Viscosity Index	120
Copper corrosions 3h@100°C	1b
Appearance	Yellow
Chlorine	No
Pour Point	-15°C

Health & Safety:

Please refer to the relevant health and safety data sheet, a copy of which is freely available to all of our customers

Availability:

G-Cut 505 is available in bulk tanker deliveries IBC's & 200 litre barrels
