

## TECHNICAL DATA SHEET

### DEGREASER FLUID

Odourless hydrocarbon based degreaser

Product code: SPDEGRE

#### Product Description:

Gem Degreaser fluid is a specially formulated odourless hydrocarbon based degreasing fluid containing a balanced additive package for optimum cleaning power. It is suitable for use in all engine-degreasing applications and as a general purpose cleaner.

#### Advantages/Benefits:

- Low odour
- High Flash Point
- Good operator acceptability
- Can be diluted with other emulsifiable solvent cleaners
- Concrete, metal & tile compatible

Not recommended for use on or near asphalt or bitumen surfaces

#### Application:

Use neat for heavy-duty applications, best results are obtained if the product is applied by brush or spray and contaminants can dissolve for a short period of time before rinsing with cold or hot water.

Dilute according to preference for general cleaning applications.

For specific recommendations please speak to your local GEM Oils representative or contact Gem Oils directly.

#### Typical Test data:

KV @40°C (cSt)	<7
Appearance	Pale Yellow
Density @ 20°C	0.76g/cm <sup>3</sup>
Ignition temperature	>200°C
Flash point (°C)	70

#### Health & Safety: (Group 1)

Please refer to the relevant MSDS which is available to all customers.

#### Availability:

Available in 1000 litre IBC's, 200 litre barrels, 20 litre anti-glug drums.

Gem Oils use a QMS system which is ISO 9001:2015 approved

Rev 001 Date: 01.01.2020
